

COOKIE POLICY

1. The website does not collect any information automatically, except for the information contained in cookies.
2. Cookies (so-called "cookies") are IT data, in particular text files, which are stored in the Website User's device and are intended for use on the Website. Cookies usually contain the name of the website they come from, the time they are stored on the equipment and a unique number.
3. The entity placing cookies on the User's device and accessing them is the Website operator - Space4Trade Sp. z o.o., with its registered office at 42-506 Będzin, Słowackiego 39
4. Cookies are used for:
 - a) adapting the content of the Website pages to the User's preferences and optimising the use of the websites; in particular, these files allow for the recognition of the Website User's device and appropriate display of the website, adapted to his/her individual needs;
 - (b) to compile statistics which help us to understand how Users use the websites in order to improve their structure and content;
 - c) maintaining a session of the Website User (after logging in), thanks to which a User does not have to re-enter his/her login and password on each sub-page of the Website;
 - d) remarketing, i.e. the study of the behavioural characteristics of visitors to the Website's pages through anonymous analysis of their actions (e.g. repeated visits to certain pages, keywords, etc.) in order to create their profile and provide them with advertising tailored to their anticipated interests, also when they visit other websites on the advertising network of Google Ireland Ltd. and Facebook Ireland Ltd.
5. The Website uses two main types of cookies: "session" (*session cookies*) and "permanent" (*persistent cookies*). "Session" cookies are temporary files that are stored on the User's device until they log off, leave the website or switch off the software (web browser). "Persistent" cookies are stored on the User's terminal equipment for the time specified in the parameters of the cookies or until they are deleted by the User.
6. The following types of cookies are used within the Website:

a) "necessary" cookies to enable the use of the services available on the Website, e.g. authentication cookies used for services requiring authentication on the Website;

(b) cookies used for security purposes, e.g. used to detect abuse of authentication on the Website;

(c) "performance" cookies, enabling the collection of information on how the Website's pages are used;

d) "functional" cookies, which make it possible to "remember" the User's selected settings and personalise the User's interface, e.g. with regard to the User's chosen language or region of origin, font size, website design, etc;

(e) "advertising" cookies, enabling the delivery of advertising content more tailored to users' interests.

7. In many cases, the web browsing software (web browser) allows cookies to be stored on the User's device by default. Users of the Website may change their settings regarding cookies at any time. These settings can be changed in particular in such a way as to block the automatic handling of cookies in the settings of a web browser or to inform on their placing in the User's device each time. Detailed information on the possibility and methods of using cookies is available in the settings of your software (web browser).

8. The Operator of the Website informs that restrictions on the use of cookies may affect some of the functionalities available on the Website.

9. Cookies are placed in the Website User's device and may also be used by advertisers and partners cooperating with the Service Operator.

10. More information on cookies is available at <https://wszystkoociasteczkach.pl/> or in the "Help" section of your browser menu.
